## A FIRST TIME FOR EVERYTHING

After 27 years, Pam is now photographing 1st weddings! With associate Nick Tsakiris, your cherished day will be captured in perfect detail. We look forward to being with you from beginning to end.

## SENIORS

Seniors, the excitement of graduation is just around the corner. Your senior session will reflect who YOU are. We'll create 2-dimensional time capsules of your favorite high school memories. Call today to schedule your senior session. Ask about putting your images on facebook.

## MASTERPIECE COLLECTION

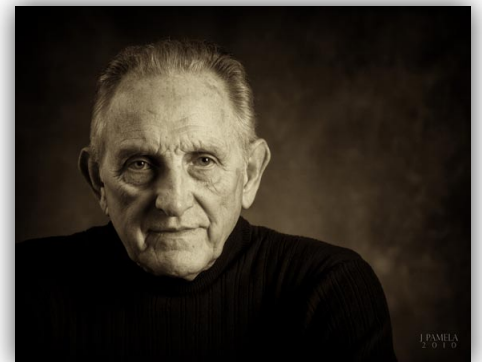

It is an artistic rendition of images selected from your session. We think you'll love them. We offer a line of frames to compliment your images. Looking for an alternative to frames? Then check out canvas wraps, floating frames, floating prints, stand-out prints, metals prints, thin-wraps, acrylic prints and more. Frameless is the way to go for those edgy looking images. Want to know what should be framed or frameless, then Heather can point you in the right direction.

## LUNAR RENDEZVOUS

J. Pamela Photography is proud to once again be the official photographer of the 2010 Lunar Rendezvous Festival. We will be there every step of the way to make your experience unforgettable.

## 10 RENAISSANCE MEN

The Arts Alliance of Clear Lake, TAACCL, is currently exhibiting portraits of ten Clear Lake men, volunteer-extraordinaires and philanthropists whom it has been my privilege to immortalize.
